

EasyLobby® SVM™ 8.0 Receives Lenel® Certification

EasyLobby's award-winning Secure Visitor Management (SVM) system now tightly integrated with Lenel's OnGuard® Access Control System

Needham MA, October 17, 2005 – EasyLobby®, the industry leader in secure visitor management solutions, today announced that Lenel, through its OpenAccess Alliance Partnership program, has certified that EasyLobby's SVM 8.0 software is now integrated with OnGuard version 5.11.

Through this integration, EasyLobby customers using Lenel OnGuard for access control can now automatically enable a pre-defined set of visitor door groups automatically from within SVM, for those visitors that need to be given card access. In addition to working with proximity cards, the integrated solution also enables barcoded badges printed by SVM to be used to open a turnstile or activate an elevator or other door being controlled by OnGuard.

“We are pleased to be able to offer a tightly integrated solution to customers that would like to have the best of both worlds with regards to visitor management and access control,” said Howard Marson, CEO of EasyLobby. “Lenel OnGuard customers can now deploy our best-in-class visitor management system, without sacrificing critical interoperability between the two systems.”

About EasyLobby®

EasyLobby was founded in 1997 to provide the first comprehensive software solution for electronic, secure visitor management. EasyLobby's suite of products provides comprehensive, enterprise-class visitor registration, tracking, reporting and badge printing, as well as web-based pre-registration. EasyLobby SVM is also tightly integrated with more than a dozen of the most popular access control systems, with new ones being added every month.

With thousands of EasyLobby systems installed and operating globally (in English, Spanish, German and French), EasyLobby is the world's leading independent provider of secure visitor management solutions to private sector and public sector companies and organizations, including Fortune 500 companies, federal and local government agencies, multi-tenant buildings, hospitals, universities, K-12 schools and others. For more information visit www.easylobby.com or call 781-455-8558, or send email to sales@easylobby.com.
